EECE.5200 - Homework 7

Travis Kessler

3 May 2021

Accessing Source Code

Source code is available at: https://github.com/tjkessler/eece5200/tree/main/hw7

Results

Figure 1 displays the output of running "./a.out" following the execution of "./E" or "./EMAC". No additional figures are included, as the majority of outputs for this program are auditory and/or are in real-time. It is encouraged that the reader execute the program themselves.

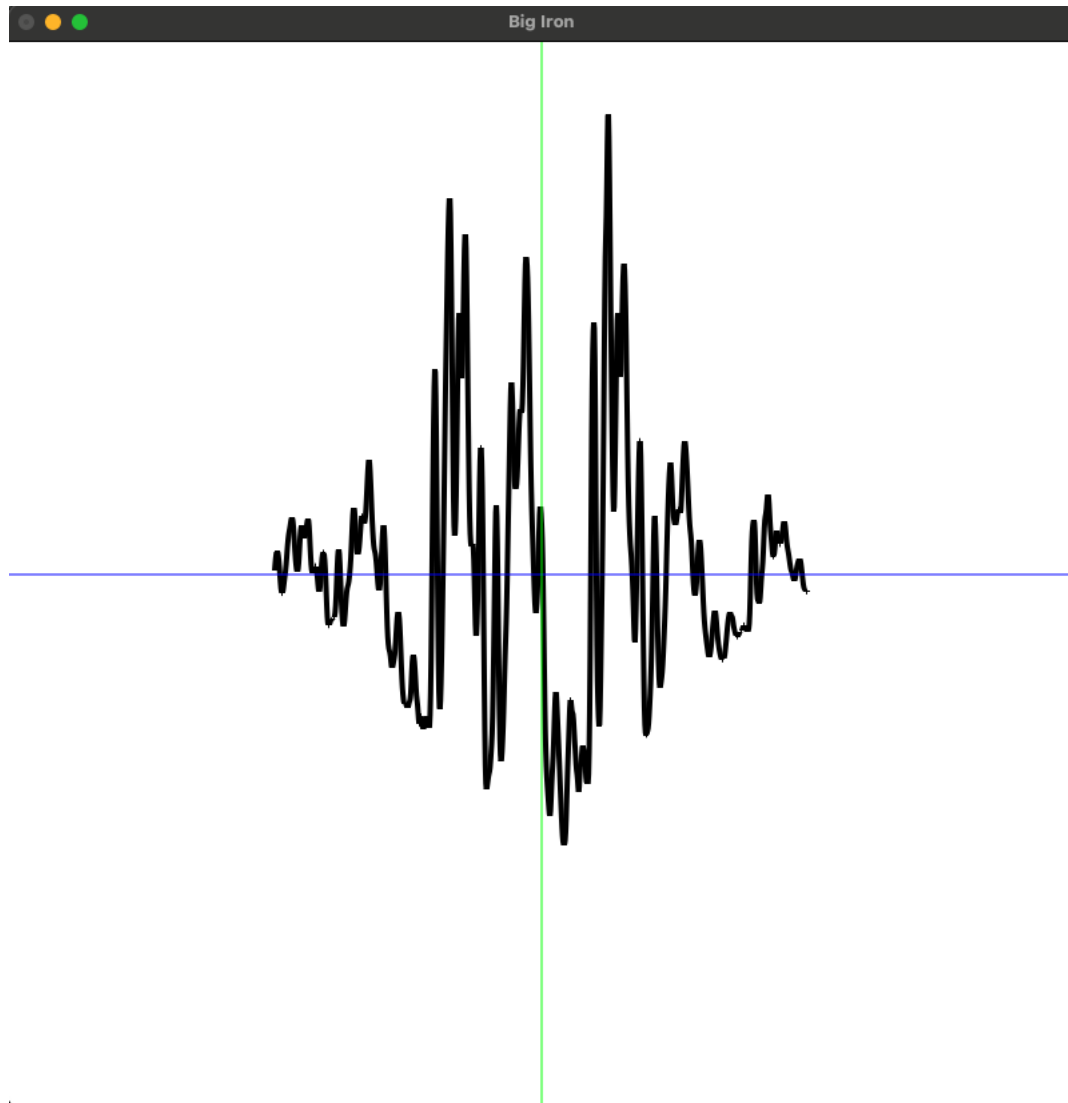

Figure 1: Signal X versus time of "music.wav" during playback
